Expect Greatly Reduced Assessment If Campbell Joins Newly Formed Setup

Hearing on its intention to include Campbell Sanitary District within County Sanitation District Four will be conducted **Monday**, January 9, at 11 a.m. by the County Board of Supervisors at the county courthouse. The date was set following request of the board of directors of the Campbell Sanitary District for a public hearing on the proposal which it initiated.

Charles De Selle, president of the Campbell board, pointed out that while it had been the intention of the board to request inclusion within District Four, an earlier move would have meant a double taxation for Campbell, since it would be paying the 25c per $100 valuation for District Four, plus its own 70c assessment covering the community's own trunk sewer system. "We hope to be in by next year," he said, "and hope to bring the total assessment down to approximately 23c."

Campbell's main trunk sewer was constructed with general obligation bond funds of $95,000, of which $45,000 in bonds are outstanding. The trunk sewer is necessary to and may be used as an integral part of the trunk sewerage system of District 4, according to Don Reinoehl, District Four engineer. Campbell's own present bond payments would be assumed by District Four when it took over the Campbell plant.

BOARD MEETING

Besides De Selle, other members of the Campbell Sanitary District board are Ethan Lanphear, Herbert Shadle, Walter Stray and Ross Trowbridge. The Campbell Sanitary District was formed under the Sanitary District Act of 1923 by the WPA in 1937 and 1938. Board members will meet again December 14 at 7:30 p.m. in Campbell Water Co. office, with their attorney, Ernest Wilson, to study details of the proposed annexation.

Legal boundaries of the district are: Beginning at the point of intersection of the westerly extension of the line parallel to and 175 feet northerly from the center line of Hamilton Avenue with the line parallel to and 175 feet westerly from the center of Santa Clara-Los Gatos Road to a point 175 feet northerly from the center line of Latimer Avenue; thence westerly parallel to the center line of Latimer Avenue 1805 feet; thence southerly parallel to the center line of Santa Clara-Los Gatos Road to a point 175 feet northerly from the center line of Campbell Avenue; thence westerly parallel to the center line of Campbell Avenue 1460 feet; thence southerly parallel to the center line of Santa Clara-Los Gatos Road 350 feet; thence easterly parallel to the center line of Campbell Avenue 1460 feet; thence southerly parallel to the center line of Santa Clara-Los Gatos Road to a point 175 feet southerly from the center line of Rincon Avenue; thence easterly parallel to the center line of Rincon Avenue to a point 175 feet westerly from the center line of Santa Clara-Los Gatos Road 1690.85 feet to the westerly extension of the southern line of Lot 3 of the Kennedy Tract; thence easterly along the southern line of Lots 3, 5 and 6 of the Kennedy Tract as extended westerly, to the southeastern corner of Lot 6; thence northerly and northeasterly along the southeastern line of Lot 6 to the southeastern line of Rucker's Addition; thence northeasterly along said southeastern line of Rucker's Addition to the center line of Los Gatos Creek; thence along the center line of Los Gatos Creek northeasterly and northerly to a point 175 feet northerly from the center line of Hamilton Avenue; thence westerly parallel to said center line of Hamilton Avenue to the point of beginning.

LEGAL NOTICE

Legal notice of the Board of Supervisors resolution and of the hearing will be published next week in the Campbell Press, together with complete outline of boundaries of the Campbell Sanitary District.

As has been reported in earlier Campbell Press articles, District Four had believed the Campbell trunk sewer to be a valuable ad-

Vocal 'Artists' Give Program At Rotary Meeting

Wives of Campbell Rotary Club members will be guests at a Ladies Night dinner and dance to be held Monday, December 19, at Lou's Village. Dr. J. Frederic Snyder is chairman of the event, which will begin at 8 p.m.

At the club's regular meeting Monday noon in the IOOF Hall, Pete Peterson, Tracy, past district governor of District 101, now 158, was a special guest and spoke briefly on growth of Rotary. He said the whole district system has been reorganized due to development of the organization.

Clyde Zorbel of Boulder Creek and Marquis E. Reitzel were also guests at the meeting. Dr. Robert Wade, new pediatrician in the Campbell area, was welcomed as a transfer member from the Miami, Arizona, Rotary club.

When the expected guest speaker failed to appear, due to a confusion of dates, impromptu entertainment was provided by members who organized themselves in vocal trios and sang several old favorites. San Jose Rotarian Chester Mason led the singing and selected the trio composed of Emerson Arends, Dr. Wade and Clifford T. Cassiday as the best performers. They had sung "Dixie." Whereupon, Cel Gerevas, chairman of the December 22 program at which Campbell merchants will give away a free car, announced that the three will sing a number for the car program.

Other trios were: Frank Accardi, L. W. Harmon and Harry Algar, "My Old Kentucky Home"; James A. Brand, I. O. McConnell and Mario Saia, "Old Folks at Home"; Gerevas, Anthony Raffanti and Dave Rutherford, "Home On the Range"; Homer H. Hyde, Joaquin J. Payne and Forrest A. Reese, "Jingle Bells"; and William H. Maderis, Dr. J. Frederic Snyder and Edward Hubert, "Old Black Joe."

Campbell High School Glee Club, under direction of Frank Triena, will sing at the Rotary Club meeting next Monday noon. Tony Raffanti will be the chairman.

CUHS A Capella Choir Joins 10 Others For 16th Annual Song Festival Tonight

Campbell High School's 52-member a capella choir will be one of 10 choirs from coast county high schools which will participate in the 16th annual A Capella Choir festival tonight at 8 o'clock in San Jose civic auditorium. Frank Triena will lead the Campbell choir. San Jose High School choir will be the hosts. The public is invited to attend. There will be no admission charge.

Diana Gard, San Jose High choir director, is the festival chairman.

The Campbell choir will sing "Carol of the Drum" by Davis and "Hosanna" by Christian.

During the afternoon the choirs will have their own private sing and rehearsal for the 600-voice massed chorus selections to be sung in the evening. William Erlendeson, director of San Jose State College a capella choir, will lead the combined chorus. Reginald Greenbrook, organist of the San Jose First Methodist Church, will play the organ accompaniment and introductory selections.

NON-COMPETITIVE

Miss Maurine Thompson of San Jose State College and Glenn Woods, former director of music for Oakland schools, will be critics for the non-competitive performance and will offer constructive suggestions to the individual directors at the close of the performance.

Besides Campbell High School, other participating choirs and their directors will be: Los Gatos Union High School, Orrin J. Blattner; Palo Alto Senior High School, Jane F. Smith; Santa Clara Union High School, Virgil Mills; Mission High School of San Francisco, Isabel Becker; Gilroy Union High School, William Baker; Watsonville Union High School, Genevieve Carlyon; Salinas Union High School, Esther Ingham; Mountain View Union High School, Helen Froehlich; Abraham Lincoln High School of San Jose, Thomas O. Stevens and San Jose High School, Diana Gard.

Next week the Campbell High School choir will sing for the school's public Christmas program Thursday evening at 8 p.m., and again at the high school assembly Friday.

Car Tickets Not Issued After December 20

Issuance of tickets for the free Plymouth sedan, which Campbell merchants will give away December 22, will stop on December 20, the committee has announced. Merchants urged all persons to remember that the tickets must be filled out with name and address of stub holder, otherwise the ticket is void.

For the program December 22 at 7:30 p.m. on the lighted softball field, Santa Claus will do the drawing from a Western Gravel rotating cement truck bin.

While the crowd gathers, Dobie Jeffers, program chairman, has announced that there will be entertainment. Music will be broadcast over a loud speaker.

Kids' Matinee December 20; Food Is Ticket

Campbell Theater Manager Harold Donner is cooperating wholeheartedly with the Junior Chamber of Commerce which is sponsoring a children's matinee Tuesday, December 20 at 2 p.m. The matinee is being advertised on the screen in advance.

Admission to the show for kids will be one can of food, and these admission foods will be placed in baskets to be given needy Campbell families at Christmas time.

SAN TOMAS IMPROVEMENT COMMITTEE GETS FAVORABLE SIGN FROM BOARD ON RECREATION CENTER PROPOSAL

San Tomas School Improvement Committee, headed by Chairman Don Lukehart, has presented a proposal to the school board which would provide a multi-purpose community recreation building on the the San Tomas school grounds.

The committee outlined a plan whereby, if the school board would provide the materials, the community would provide the labor to build the center. Reaction of the board was favorable, however the matter was taken under advisement while board members study details of the matter.

Committee members attending meeting were Lukehart, Fred Smith, Stephen Ridgely, Charles Jones, Mr. and Mrs. George Donovan.

Meanwhile, the San Tomas Improvement Club and Men's Club are going ahead with final plans for the giant Christmas party which they will sponsor for th ecommunity on Dec. 19 at 7:30 p.m. in the school.

Mrs. Lukehart is chairman for the Improvement Club. There will be music, a Christmas play, Christmas tree, Santa Claus and stockings for all the children.

Post Office Open Till 6 P. M. On Saturdays

Campbell Post Office will remain open Saturdays until 6 p.m. to receive the expected heavy volume of Christmas mail. Twelve extra mail handlers are assisting the regular employes and Postmasted Ira Grim said "We do not anticipate any delays or standing in line to mail your parcels. Five cents will insure your parcel for safe delivery.

"If you will mail your Christmas cards and parcels early, your friends will have them for Christmas," he added. Unsealed cards require two cents postage; all sealed envelopes three cents.

Newest addition to the Campbell business community is the HOUSE OF CARPETS at 212 E. Campbell Avenue, operated by Leonard G. Baptist Jr. Interior of the modern shop is shown above. The new business features "THE HOUSE OF CARPETS—PORTABLE," a home selection service which enables the customer to select his rugs and carpets by use of samples which can be compared with furnishings in the home for better color and pattern blending. —Photo by THE PHOTOCENTER

No Ebenezer, But McVea May Get Replacement

Ebenezer is still lost. The deodorized skunk, pet of Mr. and Mrs. Raymond McVea, disappeared a week ago and, although the Campbell Press has offered to take phone calls from anyone finding the skunk, there has been no further word from Ebenezer.

Meanwhile, McVea, a Campbell Post Office employee, has learned that the people who gave him the skunk, Mr. and Mrs. Leslie Orford, are back in town. He plans to buy another of the pets from them. McVea said the deodorized skunks make fine pets and are more affectionate than a cat. They live out of doors, but can be taken into the home. The animals are friendly, and are not dangerous when played with.

Montalvo Case Under Advisement Following Extensive Hearings In S. F.

Judge Lile T. Jacks, presiding in San Francisco at the Department of Law and Motions, has taken under advisement the case of the residuary heirs of the late Senator James D. Phelan who seek title to Villa Montalvo, Saratoga.

Last Thursday and on Monday and Tuesday of this week the judge conducted hearing on the matter. Attorney John J. Dailey of San Francisco is representing the Montalvo Society, and the State Attorney General's office is interested in the case. Attorney for the residuary heirs is Delger Trowbridge. The heirs have filed suit against the San Francisco Art Association as trustees of the estate and the $250,000 trust fund, charging that the association has not lived up to terms of Phelan's will. Heirs seek title to the estate.

The Montalvo Society is opposing action of the Phelan heirs and, in the hearing, Dailey has stated that the heirs have failed to show that a controversy exists. The state has claimed that the heirs have no claim on the property.

Decision of Judge Jacks, expected in about a week, will decide whether there is sufficient case for the matter to go on trial in San Francisco January 17 as now scheduled.

Funds were raised by the Montalvo Society through popular subscription to retain legal counsel in the matter. Among those from Saratoga and nearby communities who have attended the hearings are: Mrs. Percy T. Hincks, president of the Montalvo Society; Mrs. Gustav Epstein; Mrs. G. M. Fontaine, Mrs. Gordon Ainsley, Mrs. Charles Cleveland, Mrs. Robert C. Kirkwood, Mrs. Chandler Gladding, Mrs. Thomas Haire and Mrs. MacSwain Jones.

West Valley Hospital District Hopes For State, Federal Aid During Coming Year

The West Valley Hospital District is not included in Federal and State fund allocations to be made during the present meeting of the State Advisory Hospital Council, Herbert M. Shadle, chairman of the West Valley Hospital board revealed this week. Two other Santa Clara county hospitals, O'Connor and Community Service, were approved for total allocation of $859,177 on Monday.

Shadle said the West Valley Hospital District Board met Monday night in Los Gatos with well-known hospital architect Robert Stanton of Carmel. Stanton, whose firm had prepared original drawings for cost estimates of the proposed hospital, showed the board ways in which estimates of funds required for building the 50-bed hospital could be reduced.

A request last September by the board for Federal and state fund aid was denied. This was based on an estimated cost of $1,087,836.

The Advisory Council suggested the district attempt to lower its estimate to $870,000, after which it would reconsider the application.

After the West Valley Hospital district board meeting Monday in Los Gatos, estimates were reduced with Stanton's aid to the suggested $870,000, and the board wired the Advisory Council that it had reduced its estimate. Shadle received the Tuesday morning wire in reply which said there could be no allocation for the proposed hospital at this sitting of the council.

AID IN 1950

Shadle commented that this action was probably a good thing at this time since there were probably not sufficient funds available after allocation of the $859,177 to the two San Jose hospitals. He expressed confidence that the Federal and State aid would be forthcoming "some time in 1950."

Meanwhile, the board will go ahead with its preliminary work, he said. "Our next move will be to investigate possible sites for the hospital. The site must be near the trunk line sewers in order to afford adequate disposal facilities."

Two members of the hospital district board attended the meeting of California hospital district officials and directors of hospitals now in operation at Santa Barbara, November 15 to 17. Attorney George Stepovich and Harry Whiteman, secretary of the board, were the representatives, and Shadle said he believed both had gained considerable information which will aid in planning for the hospital.

The proposed hospital would serve residents of the Saratoga-Campbell-Los Gatos district. Under the fund application procedure, the state allocates one-third of the building cost for such hospital districts, if accepted under the aid program, and the federal government matches the amount set aside by the state. The district itself must raise the final third.

C is for Campbell, our home town,
A for Arrah who is up and around,
M for Monica, a grand person too,
P for our Peace Rose, the one rose for you,
B for the Blossoms we grow and share,
Excellent the record at show and fair,
L for our leader, a clever gal, she,
Larrayne Cantoni, one busy bee.

Good timely advice from Hazel Dell,
Annual flower show, it rang the bell.
R is for Ruth, obliging and gay,
D for our dues, be sure you pay.
Excellent, too, our committees one and all.
Never had better, right on the ball.

Credit due to all our workers,
Lots of good ones, very few shirkers.
Under our Rules and By-Laws we Blossom Out,
'T'is our motto, you see.

Now if your name I do not mention
To slight you 't'was not my intention.
I used the first letter of our club you see.
Just a little nonsense, neither rhyme nor poetry.

Auxiliary Busy On Plans For Its Annual Family Christmas Party

Plans for their annual Christmas party were outlined at a special meeting of the American Legion Auxiliary at the home of Mrs. Barth O'Brien Wednesday evening. A party for children of the Legion and Auxiliary members is held each year, and includes a program, Christmas tree, gifts and Santa Claus. Again this year the Auxiliary is inviting the Legion families to a party replete with fun for the children and adults. There will also be group singing of carols.

Each Auxiliary member is asked to provide a child's gift, not to exceed 50 cents, marked for "boy," or "girl" and for what age. The party will be held Wednesday evening, December 14, at 7 o'clock.

The annual Christmas gift shop in the Veterans Administration Hospital at Palo Alto was held during the first week of December. Eleven members of the Campbell Auxiliary and Chester Clever of the Legion oPst spent last Friday assisting patients in selecting their gifts for their families. This service to the veterans is operated entirely by the Auxiliary units. Gifts are provided, wrapped in fancy gift designs, boxed and mailed at no expense to the veteran. The cost is borne by the money received from the annual poppy sale.

VFW Auxiliary And Post Party Next Monday

Vic Handerkin VFW Post and Auxiliary, 3045, Campbell and Los Gatos, with President Verona Goehner presiding, met November 28 at the Los Gatos War Memorial building.

Plans were formulated for the Christmas party to be held in the War Memorial building Monday, December 12 at 7:30 p.m. All veterans and their families are invited to attend with their families. There will be a Christmas program, and Santa Claus will present gifts to the children.

The party committee includes Verona Goehner, Marie Kruger, Robert Lord, Charles Chubb and Loreign Meade.

A float entitled Snow White and the Seven Dwarfs was entered by the post and auxiliary

Congregational Church Services Christmas Eve and Christmas Night

A Christmas Eve candle-lighting service from eleven o'clock to midnight, and a change in the hour of service on Christmas day were determined at Tuesday evening's meeting of the board of the Congregational church.

This church's midnight service on Christmas Eve has become a tradition in Campbell, and plans are being made for an impressive service of carols and choral numbers, by the full choir under the direction of Mrs. Marjorie Martin, a Christmas meditation, and a climax of candlelighting.

Since Christmas comes on Sunday this year and most families are very busily engaged on Christmas morning, and in view of the late service on Christmas Eve, it was decided to have the regular Christmas Sunday service at 7 o'clock in the evening on December 25 instead of at the usual morning hour, thus making it possible for many more people to attend.

The annual Christmas program of the Sunday School will be held the Friday evening before Christmas, at 7 o'clock, with the pageant being presented by the primary department. Santa Claus also will have a prominent part in the program.

SDA Missionary To Tell How Search For 'Revenge' Founded HOPE, Inc, In Japan

Norma Youngberg of Los Angeles, missionary for 20 years in Borneo and Malaya, will give a talk describing her unique "Revenge on Japan" at the Seventh Day Adventist Church Saturday at 4 p.m. The church is at Fourth and Rincon Streets.

Mrs. Youngberg will tell of the program of HOPE, Inc., a laymen's group within the church, of which she is president. In brief, HOPE, Inc., originated from her belief that the only compensation against Japan, where her husband was tortured to death in a Japanese prison camp, was to establish in Japan something which would be a blessing to the Japanese people. Her husband, Gus Youngberg, died in a camp at Kuching, Sarawak, in July, 1944.

Her "revenge" is the establishment of the Youngberg Memorial Institute in Japan. The plan began to materialize a year and a half ago in Gumma Prefecture, where the governor of the prefecture has given property worth over $100,000. There the institute is being built and will include a medical unit, agriculture development program, school, and general welfare and uplift center.

CLOTHING—MATERIALS

The people of the prefecture are aiding in the money-raising program. Two weeks ago a couple arrived by ship in San Francisco bearing a collection of valuable oriental art objects from the people. These will be exhibited to raise funds which will be used to purchase clothing for the people. Already 18 tons of clothing have been sent out. In Japan the 18 tons of clothing can be traded for materials necessary to carry on the program for six months. More clothing will provide more materials for the program. "This Institute," Mrs. Youngberg states, "will be established near a large city on broad acres of ground where all kinds of agricultural pursuits will be part of the program of education. Student self-support and ultimate self-support will be the goal for the whole project. To start the work, American and Japanese doctors, nurses and educators will go from the USA to join hands with men and women of similar purpose and devotion in Japan. These workers are ready to go as soon as the buildings and equipment shall be ready for them to take hold."

Miss Mabel Haynes Stone, Seventh Day Adventist director of public relations for HOPE, Inc., will assist Mrs. Youngberg at the lecture tomorrow.

JC Benefit Whist Tomorrow At High School Gym

A public whist party will be held tomorrow night at 7:30 p.m. in the Campbell High school gymnasium. The Junior Chamber of Commerce is sponsoring the party to raise funds for Christmas baskets to be given needy families in Campbell.

There will be free coffee and cake and other special events. The public is invited.

Ex-Luftwaffe Pilot To Discuss Nazi Experiment

A preview of its Choir Festival singing in San Jose tonight was given the Campbell Kiwanis Club Tuesday by the A Capella choir of Campbell Union High School under direction of Frank Triena. High School choirs from Salinas to San Francisco will participate in the annual song fest tonight, and the program will be broadcast over KEEN with Kiwanian C. P. Klassen as commentator.

The choir sang for Kiwanians: "As Lately We Watched," French carol; "Carol of the Drum," "Go Tell It On the Mountains," negro spiritual; "Silent Night," and "The First Noel."

President Lowell Benson presided at the meeting at which the chairman was Ethan Lanphear. Visitors were Lyle Austin, Earl King, and Chester Maloney, San Jose; Frank Congable, Campbell, and Ollie Upton, Los Gatos.

Next week the speaker will be a German exchange student from Montezuma School. Milton Nelson will introduce the guest, Lothar Boessing, who will speak on "The Nazi Experiment." Boessing, from western Germany, represents the Federation of United Youth. He is a former Luftwaffe pilot who was captured by U. S. forces in the Battle of the Bulge.

DAV Key Tag Aids Return Of Campbell Set

The Disabled American Veterans has returned a set of lost keys to Ruth Okashima Fujiko, 4008-A Briarwood Way, Campbell, Calif.

Attached to the keys was a DAV Idento-Tag, miniature license tag for key rings, which is distributed to 30,000,000 motorists each year and the replica of their state license plates enables the DAV to return 5000 keys a month from its national headquarters in Cincinnati.

In addition to key-loss insurance, the Idento-Tag through contributions enables the DAV to maintain its free rehabilitation service for disabled veterans and their dependents.

The DAV Idento-Tag plant is owned and operated by the DAV in the interests of disabled veterans and employs disabled veterans in their manufacture.

Deadliest Time For Accidents On State Highways

"Don't kid yourself."

This warning was sounded today to the state's five million automobile drivers by a man who knows. He is Clifford E. Peterson, Commissioner of the Highway Patrol, and he talked as the patrol perfected plans to combat the December accident toll.

"This is the deadliest time of year because of shorter days and inclement weather, so don't kid yourself by thinking you can drive the same way you do at other times," Peterson said.

"Last December we set a new all-time record of 328 deaths and 8705 injuries, most of them the result of persons kidding themselves into believing they could do the impossible in traffic.

"Some were pedestrians who took careless chances, some were drivers who fought for the right-of-way, some tried to beat trains at crossings, some tried to stop without good brakes, and far too many tried to drive after drinking.

"You can't see as well in foggy or rainy weather and you can's stop as quickly on wet, slippery pavement. Don't kid yourself by thinking you can or you will be a statistic instead of a live Californian on Christmas morning."

More On Hearing For District 4

(Continued from Page 1)

dition to its area, and the annexation of the Campbell District was recommended by Reinoehl. Campbell's present sewage system is in far better condition than the sewerage treatment systems of the other two main communities in District Four, Saratoga and Los Gatos, and it was expected that Campbell would join the recently formed district as a welcome and financially sound addition.

Those wishing to get a clearer picture of the Campbell District boundaries may see the district map in the Campbell Water Company office.

BACKGROUND

De Selle reviewed background for the board's request for annexation, pointing out that the whole matter originated when the State Board of Health forbade San Jose to continue its practice of dumping raw sewage into the bay. Campbell has a contract with San Jose for disposal of its sewage, therefore the Campbell district had to find another means of disposing of its sewage.

The board investigated possibility of erecting its own treatment plant, but found the estimated cost of about $250,000 was excessive. The alternative proposal offered itself with the start toward formation of District Four.

Both Los Gatos and Saratoga had investigated treatment plant costs, but they, too, found the cost too great and made arrangements with San Josoe to handle their sewage under the District Four trunk line system to be installed.

REDUCE EXPENSES

Under Campbell's present contract with San Jose, local residents in the district pay 20c on the assessed valuation. When Campbell joins District Four, this automatically cancels the San Jose contract, and District Four will pay San Jose on rate per million gallons. De Selle said he believes this changeover will considerably reduce expenses, in addition to which Campbell District will be able to take in nearby subdivisions which may not be added under the present setup.

Campbell district residents' present payment of 70c per $100 assessed valuation, includes 35c assessment against its bonds and 35c per maintenance. If Campbell joins District Four, the latter assumes obligation for the Campbell $45,000 of outstanding bonds, and Campbell, in turn, helps pay the assessment for the District Four bond issue of $1,640,000. Campbell district retains its identity. Both the Campbell attorney and engineer estimate that the total assessment against Campbell district residents will be reduced to between 23c and 25c instead of the present 70c.

Fiberglass Plant Hosts Jaycees At Dinner, Tour

Owen Corning Fiberglass plant in Santa Clara was host to 23 members of the Campbell Junior Chamber of Commerce Wednesday night. The group dined in the plant cafeteria, then divided into three groups and toured the plant.

Representatives of the plant who served as hosts were Treston E. Royer, industrial relations manager; Marvin Draper, junior engineer, and George Moeller, production manager.

Jaycees viewed the process of making Fiberglass from its beginning as sand on through to the finished product as it was packaged. Fiberglass is used for insulation, and the purest form, Areocor, is produced under Army contract for service planes. The plant is on a 24-hour day work basis. The Jaycees showed particular interest in the experimental department where they saw curtains made of Fiberglass. Other items were in the experimental stage of development.

THIS CALIFORNIA

A Weekly Column By Lt-Gov. Goodwin Knight

In last week's column I spoke enthusiastically of the prosperity of California farmers, and ever since, I have been inundated with letters from growers, the gist of them being:

"What do you mean, "Prosperity"?

One man declares: "The cost of production is so high that I am lucky if I can keep up my car payments."

Says an orchardist: "It costs about $800 to grow a carload of oranges. It costs almost $800 to harvest and pack them. It costs even more than that to ship them. Any program designed to help us farmers must be designed to bring down the growing costs. Transportation will never be less expensive, and harvesting and packing will get higher instead of lower. How can we reduce growing costs, Mr. Knight? You tell us that, and you have earned yourself a niche in history."

A Central California sugar beet grower writes: "I lost 35 acres to nematodes. I spent more than $150 an acre fumigating, cultivating, irrigating, weeding and harvesting. They tell me I must stop growing sugar beets and start a soil rebuilding program. Fine. I'd like to do so. But, what will I use for money?"

PULLS OUT TREES

Wrote a prune grower: "... because of Oak Root Fungus I pulled out 3 acres of trees this year. Next year I'll have to pull out five more acres. To fumigate that soil one company wants $300 per acre, and it won't guarantee to rid me of the fungus. Each tree (when I have no fungus) brings me in about $3 a year. That's $240 an acre. If I spend $300 an acre for fungus treatment that may not work, buy young trees for planting, irrigate them, spray them and prune them, the new orchard is going to cost me in the neighborhood of $500 an acre the first year. Tell me, please—oh, never mind. It's hopeless."

In reply to all, I want to state again, and state it emphatically, that California is the most prosperous state agriculturally, in the nation. We have our troubles, due mostly to soil depletion and erosion, but the situation can be bettered. The prune grower is wrong to say it is hopeless.

Intelligent men working together can solve any problem. Your letters are exactly what we need to design a program. It is generally true throughout the state that production costs are too high. Authorities tell me that they can be cut 50 per cent with a scientifically, financially sound growing program. I believe this to be true.

SEND LETTERS

If it is true, then we must arrange such a program. Keep on sending me your letters. When I have an over-all picture of your needs, I assure you that with the aid of authoritative groups, I will get behind such a program with everything I have.

Again I call attention to the thousands of well-kept, beautifully-farmed fields, orchards and vineyards of California. I call attention to the fact that the average farm in this state is a minimum investment of $25,000. These farms have made, and will again make their owners independent of economically unsound controls of all kinds. Nowhere in the world is there such a bountiful area as THIS CALIFORNIA.

WRITE KNIGHT!

EDITOR'S NOTE: Lieutenant Governor Goodwin Knight, whose weekly column, "This California," is now a feature of this newspaper, is aware of the multitudinous programs, practices, acreage and price controls, designed to help California farmers. It has long been his belief, however, that any program that will really help the farmer must come from the farmers, themselves. Mr. Knight wants you to write him of your problems, no matter what they are. He wants you to be frank about the things that are making the growing of crops so expensive that the average farmer is fortunate if he breaks even. With the knowledge gained from your letters, he hopes to be able to help design a program that will gave California farmers back their independence. Tell him your worries—every one of them. Write Knight-Right Now! Your names will be kept confidential. Write Knight, care of this newspaper.

SJSC Basketball Season Opens

Weakened by the loss of two letterman guards, San Jose State this week jumps into its 1949-50 basketball schedule feet first. Coach Walt McPherson's Spartans opened Thursday night against NIT champ U.S.F. at San Francisco's Kezar Stadium, and Saturday night will tangle with Stanford at Palo Alto.

Ralph Romero, starting his third year as regular guard, sustained a severe ankle sprain in scrimmage last week and will be out for at least two weeks, possibly longer. Earlier Bob Enzensperger, a two-year letterman, had been declared academically ineligible and will be out at least until January.

Although not usually addicted to the "crying towel," McPherson is not optimistic about the Spartans prospects in tasting their first competition against U.S.F., a team touted as the No. 1 quint in the nation, and Stanford, as tough as ever on its own floor.

The San Jose roster is well-stacked with veterans but the young Spartan mentor thinks his club hasn't made the progress which might be expected.

However, such players as Stu Inman, who scored 521 points this year, Don McCaslin, a 364-point performer last year, ball hawk Bob Wuesthoff, and speedy Bobby Crowe should give San Jose a potent outfit if they reach their potential. McPherson has moved 6'2" Chuck Crampton to guard to take up the slack caused by the loss of Romero and Enzensperger.

Reserve strength for the two-time CCAA champion Spartans is expected to come from Dean Giles and Bob Thomason, holdovers from last year, lettermen Billy Wilson and Junior Morgan, star football ends who have just reported for the squad; Glenn Lovell, Mort Schorr and Orville Johnson, up from last year's Frosh team, and transfers Stedman Prescott, John Belden and Bob Grant.

"Well Done" From Former Chief

Union Dad's Club Elects Noel Brown

Other officers elected to serve with Brown were: Jim Fitzgerald, vice-president; Ken Mallette, secretary; Monroe Agee, treasurer; and Charles Trunen, sergeant-at-arms.

The group has been organized to build a closer relationship between the father and the school, and at the same time provide active sponsorship of youth activities within the district.
